CONDITIONS OF SALE

All bids are entered as received and lots distributed to the highest bidder without reserve.

TERMS: The terms of auction sales are strictly cash, and must be paid for immediately upon receipt of material. Bidders unknown to us must send a deposit of at least 25 per cent of the amount of their bids, or send satisfactory reference, otherwise the bids will not be executed.

Bid on the lot number and at so much per piece, unless otherwise stated. If there are 5 pieces in the lot, and you wish to bid \$2.50 for the lot, make your bid 50c.

A charge of 5% will be made for executing your bids. This charge is very low considering the superior service we expect to give you. No charge made for bidding except for lots actually purchased.

Be sure and bid on the right lot as we will not hold ourselves responsible for any errors of this kind.

We have taken great pains in describing each lot accurately; in fact the condition of many coins are favored.

If you are interested in any particular lot and do not know how much to bid, we shall be pleased to advise you in regard to the value of same.

No claims will be allowed unless made promptly and in writing first and no material returned unless it is the fault of the cataloguers.

Send your bids on receipt of catalogue. In our last sales some bids came in too late and could not be executed.

Everything guaranteed genuine unless otherwise described.
